Stone Depot Continues to Grow Through Acquisition

Middletown Location Offers Greater Access to Customers Throughout the Region

(Hartford, CT, January 18, 2008) — Central Connecticut's premier masonry distributor, **Stone Depot / Della Terra Showcase** acquired Middletown Builders Supply, Inc., in Middletown, Connecticut the news was announced today by Mark Greco, General Manager.

The Middletown location will sell traditional masonry products and supplies and continue to stock building materials and the *Kraftmaid* cabinetry line of products. New construction for a retail showroom is scheduled to open in the fall of 2008. "Offering two convenient locations will better serve our customers and significantly expand our existing product lines, stated Greco." Among the many additional offerings is the Della Terra Showcase, which will have a full array of masonry and stone items in elegantly displayed vignettes and a cabinetry showroom, creating turnkey solutions for our customers every project requirement. The managers and professional staff at Stone Depot look forward to meeting new customers and working with its loyal customers at both locations.

Stone Depot's mission is to supply the highest quality products available at competitive prices, without sacrificing the level of customer service our customers have come to expect. Capabilities extend to an extensive line of masonry products, supplies and fabrication services that include custom stone profiling, cutting and splitting for commercial and residential projects.

For all weather sensitive products both locations offer extensive warehouse spaces for storage; providing a dry, climate-controlled environment meaning guaranteed product availability all year round.
